ABOUT ME

I am a 3rd year B.Tech Computer Science Engineering student. I am a hardworking and ambitious individual with skills in project management, teamwork, and problem solving. I have experience working on technical and academic projects and handling responsibilities effectively. I am adaptable, quick to learn, and capable of working well in a team environment. I am looking for opportunities to enhance my technical skills and gain practical industry exposure.

WORK EXPERIENCE

Serving as Class Representative

AUG 2024 - PRESENT

I Successfully fulfilled all my responsibilities as a Class Representative by proactively addressing and resolving challenges faced by students. Effectively managed communication between Students and Faculty, ensuring a smooth academic experience for all.

Working in Business team in Garud Club

2024 - PRESENT

Working as a Business Team Member in Garud Club, collaborating with team members to achieve common goals through effective communication and task distribution.

NAAC Peer Team

DEC- JAN 2025

I build and worked on IIOT Project like Smart Indoor Air Quality (AQI) Monitoring System with my team and presented to NAAC Peer Team which gave a strong edge to my personality and outshined my skills and knowledge, Overall The experience was magnificent and it really helped me to strive better In Tech world.
